Table 22
Q4. Do you agree or disagree with the following statements?

Summary

Base: All respondents

		I feel I have a good understanding of what a wide variety of religions believe and why	I feel I have a poor understanding of most religions	I have learnt most of what I know about other religions through having friends who follow those religions	I have learnt most of what I know about other religions through how they are represented in films, books and TV shows	It is important to be able to understand what the major world religions are about	It doesn't really matter whether or not people understand what the major world religions are about
