

Institute for the Impact of Faith in Life - October 2024

Methodology: Whitestone Insight interviewed 2,072 UK adults online between 27-29 September 2024. Data were weighted to be representative of all UK adults.

Whitestone Insight is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with Whitestone Insight before use. Whitestone Insight requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact hello@whitestoneinsight.com.

Faith Tracker
 ONLINE Fieldwork: 27th to 29th September 2024

Table 1
Q1. Do you agree or disagree with the following statements?
Summary
Base: All / all who follow any religion

		In the last four weeks I have avoided telling people about my faith	My faith has helped me find purpose in the last four weeks	The UK is a place where I feel completely free to practice my religious beliefs without fear or intimidation	Faith and religion are generally a force for good in society	Someone of any faith should be able to be Prime Minister

Table 7
Q2. Do you agree or disagree with the following statements?
 Summary
 Base: All / all who follow any religion

	My faith has significantly impacted the way I have lived in the last four weeks	I am open to changing my mind about my faith (including the lack of it if applicable)	I am more interested in issues of faith now than when I was younger	Christian heritage is an important aspect of British culture	In Britain today, religion and law should be kept strictly separate	I think of myself as being British just as much as I identify with my chosen religious faith
