

Survey of UK Muslims - December 2024

Methodology: Whitestone interviewed 815 UK Muslims aged 18+ online between 20th November and 1st December 2024. Data were weighted to be representative of all UK Muslim adults from 2021 Census data.

Whitestone is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with Whitestone before use. Whitestone requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact hello@whitestoneinsight.com.
