

## **IIFL Christian-Muslim Survey April 2025**

Methodology: Whitestone interviewed a nationally representative sample of 2068 UK adults online between 2-3 April 2025, plus a booster sample of 451 Muslims and 291 Christians. Data were weighted to be representative of all adults.

Whitestone is a member of the British Polling Council and abides by its rules.

All press releases or other publications must be checked with Whitestone before use. Whitestone requires 48-hours to check a press release unless otherwise agreed.

For information about commissioning research please contact [hello@whitestoneinsight.com](mailto:hello@whitestoneinsight.com).

**Q.5 To what extent, if at all, do you agree or disagree with these statements?**  
**- Summary Table**  
**Base: All respondents**

		Everyone experiences mental health challenges at some point in their life	My mental health is largely within my control	When I've experienced mental health difficulties, it's because life was hard	People need to be more resilient in life because hard times are inevitable	The underlying causes of mental health problems are not always biological or social - they can be spiritual
